## 3. Methodology

### 3.2. Research Questions

\*i. Is there any difference between test types (receptive & productive retention tests) and learning conditions (receptive & productive learning) through online?

\*ii. Is there any mean difference between the immediate and delayed retention tests by learning conditions?

\*iii. Is there any difference among the three proficiency level groups (beginner, intermediate, and advanced) to each learning condition (receptive and productive learning) based on the test types (immediate and delayed receptive retention test and productive retention test)?
